1. What groups do you identify with? Do you feel that as you enter one group you have to “check your other identity at the door?”
 - a. How does this impact how you relate to your fellow group members?

2. How does SES and race impact education?
 - a. How does education impact quality of life and functional outcomes for those with disability?

3. What barriers do you face on access?
 - a. How are these barriers different or the same for other racial groups?

4. How can you create space for all to attain access?

5. What do you wish society understood about the intersection between race and disability?
