

## **Episode 8: Apple Accessibility: Sarah Herrlinger**

Start talking! Bring up these conversations with your friends, with your family, with people you don't know! Talk about it on social media?? Tag @disarmingdisability. Happy thinking, and thank you for creating a more inclusive society.

1. How do you typically interact with your devices/ which devices do you use?
2. Are all of your access needs met with your devices? What needs do you still have?
3. What features are you most excited to come out?
4. Do you typically interact with any of the accessibility features of your devices? Would any of the features be beneficial?
5. If you could develop any feature in your devices, what would it be?
6. How can you best submit feedback or become involved in editing/ developing/ or reviewing features?
